

Communication::baseGateway

```
classDiagram
    class Communication {
        <<abstract>>
        +baseGateway
    }
    class Server {
    }
    Communication <|-- Server
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text 'Communication::baseGateway'. Below it is a gray rectangular box with a black border containing the text 'Communication::Server'. A red arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that 'Communication::Server' inherits from 'Communication::baseGateway'.

Communication::Server
