

Communication::baseGateway

```
classDiagram
    class Communication {
        <<abstract>>
        +baseGateway
    }
    class Client {
    }
    Client --|> Communication
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box labeled 'Communication::baseGateway'. Below it is a gray rectangular box labeled 'Communication::Client'. A red arrow points from the top of the 'Communication::Client' box to the bottom of the 'Communication::baseGateway' box, indicating that 'Communication::Client' inherits from 'Communication::baseGateway'.

Communication::Client
